Inspire young people through sport

**Donate monthly and change the lives of the learners at Ukhanyo  
Primary School in the Masiphumelele township in Cape Town**

PROUDLY IN PARTNERSHIP WITH **MASICORP**, AN NGO WORKING IN MASIPHUMELELE

**The Ukhanyo Primary School** has 1 860 pupils with just one PE/sports coach, one netball court and short sprint track, no proper playing field.

Coach Nceba Jonas and his pupils urgently need sports equipment, facilities, additional coaches, sports equipment, sports uniforms & shoes and uniforms. 20 teams play 5 different sports and they perform well and often win!

**The Marylebone Cricket Club (MCC)**, has generously spearheaded this project with R870 000 over a definite three-year period in their MCC Spirit of Cricket drive - Play Hard Play Fair.

**The MCC MASI 750 Sport Club** needs to match the generous MCC donation as well as ensure an income stream to sustain the programme.

**Join the Club by donating either  
R100 (GBP 10, USD10) or R200  
(GBP 20, USD 20) each month**

**Become a club member NOW.**

# The MCC MASI 750 Sports Club will provide the school in 2017 and beyond with:

- Three cricket nets with artificial surfaces
- A sport administrator/coach/PE instructor
- Two additional sports coaches
- Equipment, uniforms, boots etc. for all five sports namely, cricket, rugby, netball, soccer and athletics
- Transport to all matches (as there are no fields currently)
- Additional structured coaching support

The next phase planned for 2020 will deliver three artificial playing surfaces and secure parking. This will provide excellent practice facilities for all sports and a venue for home games.

**Once-off annual payments are gratefully accepted.**

**Monthly donations, though, will give long-term commitment to the school.**
